

**"Let us not lose heart in doing good, for in due time we will reap if we do not grow weary"**

Dearest brothers and sisters in Christ:

We pray regularly that the Lord would supply you with all that you need in all areas of your lives, and that he would guide you by His Grace, in the knowledge of Him. We would also like to share with you some news to help you in your prayers for us.

**Abel**, with his new role as Director of Mobilisation for the Iberoamerican arm of the European Christian Mission has seen a big increase in the amount of work both in the area of administration and in the representation and promotion of ECM. He has recently visited the Theology Seminaries in Castelldefels and La Carlota and hopes soon to go to the one in Madrid. This of course means quite a bit of travelling both within and beyond Spain. Please pray for protection as he travels and help to cope with the workload.

Next Tuesday, 22nd March, we have an appointment with the town mayor. We pray that the Lord will cause him to give us the necessary permission for the different activities we are planning – a concert in June, an English workshop in August and a conference about the Reformation in September.

**Rafi** continues with the Adult University and English classes, with a view to making relationships which could lead, in time, to sharing the Gospel. The fact that this doesn't happen quite as often as she would like is very discouraging for her.

We would like to ask your prayers for three women: Lola (Rafi's cousin); Maria Victoria and Sonia with whom she has already shared the Gospel, that God would work the miracle of salvation in their lives.

We are most grateful for all the support you give us through your giving and your prayers. The Lord makes you channels by which He shows His faithfulness to us.

With much love in Christ,

**Abel & Rafi.**
